“Soaring to New Heights”

Emily Harry, Principal
Reid Volk, Vice Principal

Dear Carroll Fowler Families,

On behalf of the staff at Carroll Fowler Elementary School, we would like to welcome you to the 2020-2021 school year, which begins on August 12th, 2020 via distance learning. We look forward to working with you in partnership to achieve our goals in developing proficient learners, increasing student achievement, and building a safe, healthy school community.

WE will be SOARing to New Heights once again!

We believe if all students work hard and are supported by their family, school, and community they will be successful. In addition, we support all students at Carroll Fowler Elementary with the academic and social skills necessary to be successful and junior high ready. I encourage you to talk to your students each day regarding their progress towards their goals and ways they have demonstrated the SOAR traits of self-control, on task, achievement, and respect.

Once our current visitor restrictions are lifted, Carroll Fowler Elementary School will have many opportunities for parents to be involved in their child’s education. Along with volunteering in your child’s classroom, parents are needed to serve on various committees and councils: Parent Teachers Club (PTC), School Site Council (SSC), Parent Advisory Council (PAC), and English Learners Advisory Council (ELAC). For information on becoming involved in our school, please contact your child’s teacher or call the school office. We also have several Family Engagement meetings and Principal Coffee’s scheduled as well.

In addition, our Back to School Night will look very different this year. On Monday, August 10th at 5:30pm, our teachers will be sending out a virtual presentation through Parent Square. Make sure you take a look to get all the information you need. Regular participation, work completion, and engagement will be critical in helping students to maximize their learning opportunities and make appropriate academic growth. Daily interaction with live lessons, in addition to independent tasks will be assigned on a daily basis. If your family is in need of a hot spot, please call the school at (209) 556-1640 or come by during office hours of 8:00-4:00 so that we can support your technology needs. By working together, I am confident that our students will have a very successful learning experience.

Warmly,

Emily Harry

Emily Harry
Principal
